

Transferring Stocks and Securities

Gifts of stocks and securities can be a beneficial way to contribute to Durham Habitat, because capital gains taxes may be avoided if the gain is used to make a charitable gift. The value of the gift is established as the fair market value of the stock on the date of transfer.

To best facilitate the transfer and acknowledgment of your stock gift, please notify us of your name, the name of the stock, and the number of shares you are donating before you transfer the stocks. Contact Jill Wright via [email](#) or at 919.682.0516 x 109 to share your plans. Your broker can easily facilitate the transfer to Durham Habitat by using the following information:
